### AUTOMATIC RENEWAL OF SUBSCRIPTION AT ANNIVERSARY DATE

#### 1/ Popfax Terms and Condition agreed during initial subscription

[...]

IMPORTANT: In order to simplify the renewal of Services for our clients, every payment by credit card activates the Automatic Renewal of Services, by tacit agreement, at the end of the current subscription. The amount and the date of the next installment are indicated at the Automatic Renewal setup, and after every installment thereafter. To deactivate Automatic Renewal, The Client should uncheck this option in the Parameters of his/her account (section Payment Means).
