

Winning picture of Popfax summer contest

Congratulations to Vasco Oliveira – the WINNER of the Summer Contest 2011 and new owner of a Samsung Galaxy Tab & Popfax mug!

He was the photographer of the winning picture, showing his summer office, with Popfax connecting him and his business.

Our marketing team appreciated how, with a noticeable touch of humor, Vasco's picture demonstrated the ubiquity and mobility of Popfax unified messaging solutions, allowing professionals to stay connected with their businesses, whether on the move or on vacation.

"The idea of having a creative contest was hovering in our minds for a long time. The summer holiday period was just the right time to start it. We wanted to demonstrate the efficiency of Popfax [unified messaging](#) solutions for professionals out of the office. It was a pleasant experience for all of us, and hopefully for our customers, to be involved in this merry event." says Vladimir Popesco, the General Manager of Popfax.com.

The Contest was held between July 18th, 2011 and September 2nd, 2011 and was open to all clients with a Popfax number. The winning picture was chosen by the Popfax marketing team, who performed a ranking of all pictures sent in for the contest. The winning picture has also been posted on the Popfax Facebook page
